## LEICESTERSHIRE CENTENARY A Year of Celebration - 2017

As we move towards 2017 our thoughts turn to Girlguiding Leicestershire's very own Centenary year. We've had the Guide Centenary, the Brownie Centenary and now The Senior Section Centenary but next year is LEICESTERSHIRE'S!

We are in the process of booking, organising and planning the various events that will help us celebrate and reflect on the last 100 years of Guiding in the County.

The information in this pull-out is aimed to help you plan your unit's activities, finances and additional events. At the time of going to print we have given you as much information as we have. Regular updates will be made via the website, Facebook and the eBulletin in October. Make sure you keep this safe as a reference document and keep your eyes peeled for further information. Booking forms will be available on the website, [www.leicestershireguides.org](http://www.leicestershireguides.org)

### BADGE COMPETITION

No celebratory year would be complete without a badge!

We would like entries from all sections including adults.

The design should include:

- The words - Girlguiding Leicestershire
- The number - 100
- The trefoil
- Be no bigger than 15cm square (it doesn't have to be a square shape though)

Entries should be sent to County Office labelled 'Badge Competition' by Friday 21st October 2016.

### HISTORY IN THE MAKING

As a memento of the year we are going to be producing a History of Girlguiding Leicestershire book. Chris Davies and a small team are working on this but if anyone has any additional information they feel might be relevant then please contact Chris direct via the County Office.

We require historical information from all Divisions through the decades.

The cost will be approximately £10 to purchase - further details will follow.
