Alternatively

Make your own crazy golf course

Why not ask each small group to create a hole for your golf course?

You will need:

* Household items to build your course

Cereal boxes

Drink cartons

Books for ramps

Musical instruments (xylophone)

Anything else you think of to use for your obstacles or to add fun to your course

Large plastic cups for your hole

* Additional items

Pens & paper

Masking tape or painters tape

Wooden skewers

Chalk

Golf balls or other small balls

Golf putters (plastic or metal)

Score Card ([download here](#))

These are just ideas so feel free to add other thing to your course - [some inspiration can be found here!](#)

Preparation Time: 15-30 minutes to create each hole (more time depending how elaborate you would like your course to be)
